

River Cuckmere Arlington

OS MAP: TQ537068

SAT NAV: BN27 6SA

ACCESS: 16th June - 14th March from one hour before sunrise. Departure by 12 midnight.

Please note that the Society no longer has access to the stretch of river south from Michelham Priory or the lake or parking facilities at Primrose Farm.

DIRECTIONS: Take the north exit off the A27 Drusillas roundabout towards Upper Dicker and after $\frac{3}{4}$ mile turn right at the crossroads. Follow road for 0.8 miles and then park on the bridge on the upstream side by the railings. Fishing is upstream from this point on both sides with the limits being the foot-bridge (*below*) on the left bank and the fence a little further on the

The Society has a superb section of the River Cuckmere, a stretch of around 750 yards along the east side of Arlington Reservoir. Roving or static anglers can expect to encounter roach, bream, perch, chub, pike, dace, carp, tench and eels.

right. Strictly, no fishing from the walkway over the weir. Beware of slippery concrete on top side of weir (*left*).

SIGNING IN BOX: On the fence on the right hand bank just above the weir. You may drive up the private road to the weir to sign in, but vehicles may not be left here.
