

*The Sussex Piscatorial Society Ltd*  
*Founded in 1891*

30th September 2016

It is with great pleasure that the Committee of the Society can announce to all members that the Society has today completed the purchase of Pond Lye and the surrounding land and that the Society is now the freeholder.

This is history-in-the-making: the Society has existed for 125 years, has leased the fishing on Pond Lye for all those years and now owns it. It is the first purchase of any water that the Society has ever made. A special event and a special day, worthy of celebration.

The Committee thanks all members for their strong support over the last several months for this acquisition. Thank you all very much.
